

# Holden Reservoir Pipeline Project

20 November 2019

## This bus stop will be closing on **Tuesday 26 November** for eight weeks

Due to the construction activities for the Holden Reservoir Pipeline project along the Melton Highway, The Regency at the Sanctuary Road roundabout will be closed to through traffic.

During this time buses will not be able to detour the work site or turn around in The Regency.

**All bus stops on The Regency, Sanctuary Road and Beattys Road will be closed from Tuesday 26 November while the construction works progress.**

The temporary turn around point and last bus stop will be on Wattle Valley Drive at The Regency roundabout.

The timetable will not change. Buses will remain on the same schedule and wait at the last stop until normal departure time.

Updates and notifications will be provided on bus stop signs, the 476 bus and via the PTV app.

### Where will I catch the bus from?

When the closure is in place you will need to catch the bus from **Wattle Valley Drive, Hillside.**

See the map left for the recommended walking route to Wattle Valley Drive.

A pedestrian crossing across the Melton Highway should be used by all pedestrians walking to Wattle Valley Drive from Beattys Road and Sanctuary Road.
