2. PEPPERMINT WK  
3. GRASSLAND CCT  
4. PEPPERMINT LA STH

### Abey Road DSS

Legend		Future Works		Existing Assets		Retarding Basins	
	Development Services Scheme Boundary		Overland Flow Path		Channel		Underground Drain
	Development Services Strategy Boundary		Cleanout Works		Low Flow Pipe with Channel		Channel
	Development Services Precinct Renewal Scheme Boundary		Litter Trap		Bio-Retention Basin		Natural Waterway
	Development Services Precinct Renewal Strategy Boundary		Sediment Pond		Swale		Melbourne Water Water Main
	Scheme Property Boundary		Culvert		Buffer Strip		Melbourne Water Sewer Main
	Project - Allocated		Pipeline		Related Works		Melbourne Water Reclaim Main
	Project - Works in Progress		Soft Engineering		Wetland		
	Project - Finalised		Bio-Retention Swale		Retarding Basins		

Whilst every effort has been taken in collecting, validating and providing the attached data, Melbourne Water Corporation takes no representation or guarantees as to the accuracy or completeness of the data. Any person or group that uses this data does so at its own risk and should make their own assessment and investigations as to the suitability and/or application of the data. Melbourne Water Corporation shall not be liable in any way to any person or group for loss of any kind including damages, costs, interest, loss of profits or special loss or damage, arising from any use, error, inaccuracy, incompleteness or other defect in the data. Please note that as schemes develop and Melbourne Water Corporation receives additional information, the conceptual/indicative advice contained herein may become outdated. Melbourne Water Corporation is providing our indicative assets information and is not used as the basis of future design and expects that the appointed engineering consultant will perform their own calculations as part of requirements for their development.
