

Frog Census LEGO® Challenge: Build a Southern Toadlet

Your challenge
(should you choose
to accept it)...

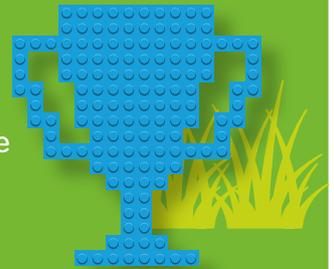

- 1 Create a frog species LEGO® model
- 2 Take a photo of your model
- 3 Share on social media with the hashtag #frogcensuschallenge, tag @melbournewater and tell us which species you've built

Southern Toadlet - *Pseudophryne semimarmorata* (©Peter Robertson)

Become a LEGO® frog legend

Get creative and create your own unique design or if you're looking for inspiration, search frog LEGO® on YouTube.com

Winners are grinner!

- ★ Top 10 entries win an exclusive frog webinar with WildlifeXposure featuring real live frogs!
- ★ Top 20 entries win a frog resources prize pack!

For more information and T&C's head to www.melbournewater.com.au/frogcensus

Here's a little
something
we prepared
earlier...
good luck!
