

15 May 2024

Mount Waverley Water Main Renewal Project

Night works- Blackburn Road and High Street Road Intersection closure

We will be conducting barrier movement around our work areas as the project progresses east towards the M22 pipe track (see figure 1).

To safely do this we will have to conduct a full road closure on High Street Road between Larch Crescent and Hunter Street, Mount Waverley. This work needs to be done out of hours when traffic movement is at its' lowest.

When: Friday 17th May 2024 and Thursday 23rd May 2024

Note: Road closures and detour will continue to be in place 24hrs until Thursday 23rd May 2024

What can you expect

- Noise from construction equipment, construction activities and large vehicles.
- The footpath will remain open with detours.
- Full road closure from Larch Crescent - Hunter Street
- Full Blackburn Road/High Street Road intersection closure
- Temporary traffic disruption. Please show caution when passing our work zone
- Left turn only at the Blackburn Road and High Street Road intersection.
- Changes to the way you travel. Allow extra travel time during the period. Our recommended detour options are:
 - Springvale Road
 - Highbury Road
 - Waverley Road
 - Blackburn Road

Working hours

Friday 17 May 2024 and **Thursday 23 May 2024** from 10pm to 5am as permitted by the Department of Transport

Figure 1: Local businesses and residents traffic detours on High Street Road/Blackburn Road intersection.
