Mount Waverley Water Main Renewal Project

Night works- safety barriers removal

Our main construction works on High Street Road for a new Mount Waverley Water Main (M76) are coming to an end. We will be conducting barrier removal around our work areas.

To safely do this we will have to conduct a full road closure on High Street Road to the East of Blackburn Road /High Street Road intersection to Latham Court, Mount Waverley. This work needs to be done out of hours when traffic movement is at its' lowest.

When: Monday 3rd June and Tuesday 4th June 2024

Time: 10pm – 5am (overnight works on both dates)

Figure 1: Work area for barrier removal

What can you expect

- Noise from construction equipment, construction activities and large vehicles.

- Full road closure from East of Blackburn Road /High Street Road intersection to Latham Court

- No right/left hand turns into High Street Road heading East from Blackburn Road

- Temporary traffic disruption. Please show caution when passing our work zone

- Bright lights will be used during night works. Where possible, lights will be directed away from neighbouring property windows.

- Traffic management will be present to assist motorists, cyclists, and pedestrians around our temporary work sites. Please allow extra travel time.

- Access for emergency service vehicles will be always maintained during these works.

Working hours

Monday 3rd June 2024 and **Tuesday 4th June 2024** from 10pm to 5am as permitted by the Department of Transport

Crews will be back to complete connection works, grouting and road resurfacing at a later date. Resident will be kept updated.

We appreciate that our works were a bit disruptive and thank you for your patience and cooperation as we completed this work.
