Community Open Day

Inside Hall

Super Sewage: Choose Your Own Adventure

- Suitable for ages 6 – 12
- Capacity: 30 people

There's a hidden water world below our city – the network of sewerage tunnels that run below our homes. Participate in this fun experience that explores this world beneath our feet! Choose your own adventure as you move, colour, dance...and make fart noises!

The Future Water Story

- Suitable for ages 12 – upwards
- Capacity – 30 players

Your city's future is in your hands!

Have you ever wondered how one small choice that you make today, can impact how your whole city might look in the future? Come and play this immersive, new digital experience just launched at the Western Treatment Plant!

Time	Program
10.30am – 11.10am	Super Sewage 01 Including Pipe Promise
11.15am – 11.55am	Super Sewage 02 Including Pipe Promise
