

How to get started with Frog Census

1 Download the Frog Census app

Setup your personal account

1. Enter your email address
2. Turn on notifications to receive alerts
3. Turn on location services

2 Make your very first frog recording

1. Go outdoors and listen for frogs
2. Stay still so frogs get used to your presence
3. Hit record
4. Complete details
5. Check your location is accurately shown on the map
6. Press submit!

3 Tips for making a great frog recording

1. Always stay on the path if possible and never enter water
2. Stay still and don't make any noise
3. Have your back to the wind or other noises

4 Now keep listening and recording

Your reports help us to protect frogs and their homes

1. Get to know the frog species in your local area
2. More submitted reports means more Frogger Points!
3. Look out for Melbourne Water events in your area on the Melbourne Water website
4. Join the Melbourne Water Frog Census Facebook group
